

# Carla Branca Behle

I was born in 1983 in Basel. After graduating from high school (focus on business). I studied at the University of Music in Basel at Hatto Beyerle and Christoph Schiller (viola teacher's diploma with distinction) and at the Zurich University of the Arts (Concert Diploma viola).

As a scholarship holder of the Fondazione Walter Stauffer in Cremona I got my musical education taught by Bruno Giuranna until 2009. I got further education in master classes with Barbara Doll, Oscar Ghiglia, Adelina Oprean, Elizabeth Wall Fish, Alexander and Michel Van Wijnkoop Rouilly. In addition to my musical education, I studied psychology at the University of Basel.

I'm violist at the Collegium Musicum Basel and a new member of the Basel Sinfonietta, Camerata Bern. Besides the numerous international orchestral and ensemble activities I'm also active as a chamber musician as well as member of the country-rock band TinkaBelle.

I teach violin and viola at the Musikschule Allschwil and the Musikschule Windisch and perform and design concepts for children's concerts. I speak German, Italian, French, English, and Spanish.
